REQUEST FOR RECTIFICATION, ERASURE ETC.
In accordance with article 16-19 and 21 of the General Data Protection regulation and chapter 4 section 9-10 of the Crime data act

Alternative 2 - Erasure

Which data should be erased and why? Describe as clearly as possible!

You have the right to request that your personal data should be erased, if you believe that your personal data is being processed in violation of basic data protection rules. If your personal data is being processed in a non-law enforcement activity, in some cases you also have the right to request that the data should be erased because you object to the processing.

Alternative 3 - Restriction of the processing

Which processing should be restricted and why? Describe as clearly as possible!

If you want your personal data to remain rather than be erased, for example to be used as evidence, you can request that the processing should be restricted instead. This means that the data is marked so that it can only be processed for certain defined purposes. Processing of personal data can also be restricted during the time it takes for the Police Authority to check whether the information is accurate.

Processing of personal data

When requesting rectification, erasure or restriction of the processing, the Swedish Police Authority will process the data you provide us for the purpose of processing your request. The processing of your personal data is necessary in the exercise of official authority vested in the Swedish Police Authority. The personal data may be submitted to the court in the event of an appeal against the Swedish Police Authority's decision regarding the request. Your information will be preserved or deleted in accordance with applicable archiving legislation at any time and may be provided in accordance with the principle of public access to information.

More information about the Swedish Police Authority’s processing of personal data can be found at www.polisen.se/personuppgifter/rattigheter.
