**Information on personal data**

When receiving a notification of registration of trade in second-hand goods, the Swedish Police Authority processes the personal data submitted in e-services, forms and online forms at [polisen.se](https://polisen.se) in accordance with the provisions of the EU General Data Protection Regulation and other applicable data protection regulations. The personal data provided in the notification I processed in order to meet a legal obligation under the Act on trade in second-hand goods (199:271). The purpose of this processing is to prevent the sale of stolen or otherwise unlawfully acquired goods and to help the Swedish Police Authority in its search for such goods. Data is saved indefinitely.

Documents submitted to the Swedish Police Authority are generally regarded as public documents which are registered and saved pursuant to the Public Access to Information and Secrecy Act (2009:400) and archiving legislation. If someone requests access to a public document may therefore be disclosed in accordance with the principle of public access to official documents.
